### Taurus 2012 Horoscope

#### Taurus 2012 Horoscope (Vedic horoscope/ moon sign based)

Last Year trends continue this year too. You have to take care of your health at all times. Daily meditation or even five minutes will bring tremendous improvements and help you in beating stress. However on professional and business fronts you will forge ahead and pending litigation will get solved. This describes the future year as favorable for doing something new, and for moving on the way you've chosen, no matter how hard it had proved to be. Turning points both at work and in love are quite possible therefore you should manifest resistance, persistence and tolerance. And remember that hard work never did anyone any harm.

### Taurus 2012 Family Horoscope

Private life may appear to be difficult. It is possible that all the problems you were annoyed with for a long time will snowball rapidly. An explosion of emotions is most likely to happen in the second half of the year, and neither Taurus, nor his partner will be ready to compromise. If relationship is already dead, it's no use giving any advice. If not, you have a first half of the year to settle your love affairs; you'll have plenty of chance. 2012 foretells complicated relationships with relatives. You'll continue to lose understanding and that's why you should make some concessions in order not to quarrel forever. Another situation is possible, when some of the relatives will need help badly, and you have to load yourself with all the problems.

### Taurus 2012 Health Horoscope

A Stressful Year. Health needs to be taken care of at all times. Domestic tension and arguments will be there specially in the second half of the year. You also need to support and look after your soul mate. This year gives notice of poor energetic resources, so you should consider giving up bad habits and try to change the style of life. Elderly and weak people should take care and prevent acute conditions in time. Special cautions should be taken by people, suffering from alimentary tract and urino-genital system diseases

## Taurus 2012 Business Horoscope

This year you may have serious problems regarding professional life for the first half of the year. It is necessary to stand up to your existing positions and to climb a high mountain of social success overcoming all obstacles. A new project began last autumn will establish absolutely new objectives and tasks. Entrepreneurs will take a risk to start a new line in business and will recruit new employees. An employee will work in harmony with boss and can expect career development with an increase of salary correspondingly. However, the difficult point will be relations with foreign and other cities colleagues. Partners abroad can be conducting their own policy that may aggravate the whole business. The second half of the year is a time to struggle with partners or sudden rivals. Unfortunately, this fight may last up to the end of the year and can lead to serious problems in business. Nevertheless horoscope Taurus advises to be prudent and not to take a thoughtless revenge. You should be easy-tempered, when defending your positions without infringing upon somebody's interests. This way you are more likely to reach a compromise settlement.

## Taurus 2012 Money Horoscope

The year is quite successful financially. The first half of the year is especially favorable, when you may anticipate a considerable income increase. However, difficult financial situations may appear in November and December 2012. This time you will suffer from financial claims. For some people it'll be connected with private life, for others with professional activity.
